

GEM&L Newsletter n°39

Dear friends of GEM&L

In this mid-March GEM&L newsletter we are pleased to send you some useful information about the 16th GEM&L International Conference which will take place from 10 to 12 May 2023 at ISIT, Paris Campus d'Arcueil. You will find information about the venue on the GEM&L website.

The conference papers review period is over. All authors have been informed of their evaluations. We would like to thank all authors and anonymous reviewers who contribute to make this 16th conference a success. Without you there would be no GEM&L conference.

The conference programme is almost finalised. A tentative version of the program is available on the GEM&L website.

We hope to have the pleasure and honour to welcome Prof. Eric Cornuel, President of EFMD at our gala dinner and we are grateful to him for his long lasting support.

We would like to remind you that the early bird deadline for registration for the conference is April 1st 2023. After this date, the fees will increase significantly. Do not miss this opportunity. The regular deadline is May 1st. Registrations can be made on the GEM&L website.
