### **Alternative means of transport:**

You can also use **UBER** to travel around the city.

### **Apps**

To plan your trips around Warsaw, you can use the city navigation app Jakdojade.pl on your phone.

Link to iOS app:

<https://apps.apple.com/us/app/jakdojade-timetables/id506795511>

The app plans your journey, shows actual timetables of buses, trams, and the metro, and allows you to pay for the ticket. If you want to use the app to purchase tickets, you need to charge your app account, type your address and the target address, choose the time and connection, and click on the “purchase the ticket” button. The app will open the scanner on your phone so that you can scan the QR code on the sticker on the wall of the bus/tram/metro train you want to travel on.
